

NCARB¹

AXP²

Workshop

January 17, 2024 // Wednesday

@ SoA Room 215

● 12:00 Start of Workshop

A. Free Pizza

1. NCARB

National Council of Architectural Registration Boards

n. The National Council of Architectural Registration Boards (NCARB) is a nonprofit corporation comprising the legally constituted architectural registration boards of the 50 states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands as its members.

The National Council of Architectural Registration Boards protects the public health, safety, and welfare by leading the regulation of the practice of architecture through the development and application of standards for licensure and credentialing of architects.

2. AXP

Architectural Experience Program

n. To earn a license and become an architect, you'll need to document real-world experience through the Architectural Experience Program (AXP). Developed by NCARB and required by most U.S. licensing boards, the AXP provides a framework to guide you through earning and reporting your professional experience.

Room 215

Join us to learn how to set up your account to start **recording hours** for AXP, hear from **licensed professionals** about their experience, and **talk story** about all your **licensure** questions.
